*62nd Annual
Production Sale!*

Sunday, August 31st, 2014

Valentine Livestock, Valentine, NE

Working Quarter Horses With Color!

Welcome to our 62nd annual horse sale. We are excited to bring you top quality horses to choose from. We have been catching the rain and the grass is growing, so we have smiles on our faces. The colts are all halter broke and are a great crop.

The Can't Kick This Cat colts are being sold by bringing two into the ring at a time, and the buyer gets choice and the other colt we keep. This year we are more prepared and the colts that will be selling together are next to each other in the catalog.

We feel that the horses that we are raising can excel in any area that you ask them too. They have great minds, athleticim, and conformation.

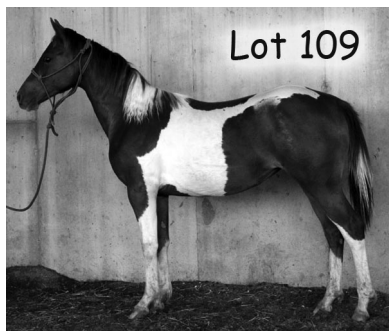

We love to hear from people using horses that originated from the ranch! You are welcome to stop in and see the horses or call us at anytime! We live 8 miles south and 3 miles west of White River, SD, on Hwy 83. We thank you for your purchases.

Once again we would be honored to welcome you to the sale. We are very humbled in your interest of our horses and look forward to offering you our best selection.

Thank you,
The Louie Krogman Family

TERMS & CONDITIONS...

Terms of the sale are cash. Checks are considered cash. Payment must be made in full to the sale clerk immediately after the sale and before the horse can be removed from the auction site.

A horse will be considered sold and the property of the buyer when struck off by the auctioneer. Any dispute regarding bidding will be settled by the auctioneer and his decision is final. When the animal leaves the ring, it then becomes the buyer's property.

Purchasers have 24 hours after the sale to remove their horses. If the buyer is unable to remove the horse in this time frame, buyer must make arrangements with the seller at a reasonable rate per day for care of the horses until they can be picked up.

All known defects will be announced in the ring before bidding begins. Every horse will be sold under this rule. Therefore, no horse can be rejected by the buyer after it has been sold by the auctioneer.

On every registered horse and foal sold, a \$15 transfer fee will be charged to the buyer. Please leave the name, address and AQHA identification number of the person to which the horse(s) are to be registered. We will send the papers to the American Quarter Horse Association to be transferred. After processing at the Association, the papers will be sent to the buyer.

Can't make it to the sale? Bid Online! Take part by watching and bidding via internet live at www.cattleusa.com. Internet buyers must register prior to sale day on www.cattleusa.com. You may visit our website at www.kquarterhorse.com to view sale horses online.

Playlight 4213270

2002 sorrel stallion

We are really proud to own this stallion. We have ridden him in parades, flagged off of him at rodeos, and drug calves to the fire at brandings. He is always a gentleman. His colts are smart, athletic, and easy to get along with. Playlight has a register of merit in heading and heeling along with 19 performance points. Both of his parents have earned money in the cutting world and Grays Starlight made the Million Dollar sire list in 2007 for National Reining Horse Association.

Peptos Pretty Spoon

5085416 2008 Red Roan Stallion

Our main sire is our 2008 red roan Peptos Pretty Spoon. He is by Hes A Peptospoonfull by Peptoboonsmal and his dam is Another Pretty Pep. Hes A Peptospoonfull passed in 2013 but at this time is a 3 million dollar sire. In 2011 he was in the top 10 of NCHA leading sires and NRCHR all time leading sire. He won both 2001 Futurity Go Rounds and Semi Finals. Four of his offspring have won over \$200,000 NCHA and he personally had LTE of \$72,851. Another Pretty Pep has sired many NCHA earners and has LTE of \$9,300. We have not shown Peptos Pretty Spoon but he has been used on the ranch on cattle and roping. He was easy to train and is extremely easy to handle and get along with. His first offspring are just of age to ride and we are excited to see how they do. We think you will find his foals to be smart and very athletic. For more information call Buxcel/Barnes Quarter Horses, call 1-605-669-3057 or 1-605-530-7084.

This mare is built just right! She has a pretty little head and nice palomino color. We rode this mare's mother and she had a "get things done" type of attitude - she would ride all day and do anything you asked. This yearling has the pedigree to be a great riding horse and the looks to produce some pretty babies! Pic on P. 10.

This is a handy made mare who has the right tools to go in any direction. She has been rode out in the pasture and in the arena. She knows where her feet are and doesn't take a wrong step. She is started on barrels, roped the hot heels and drag the calf sled. She has the right foundation to make an exceptional heel, calf, break-away or barrel horse. Don't miss out on her, mares like her are hard to come by. FMI call Kortni at 605-842-5168 or check out videos on Kortni's Facebook page.

If you are serious about raising quality quarterhorses, here is a future stallion prospect. A truly beautiful colt whose granddam was one of our best producing mares (and who was a full sister to our herd sire, Leavin My Mark). He looks great and is a beauty in motion. Contact Bruce Buller at 918-514-6592.

Paint Gelding

This is a 6 year old ranch gelding. He is black and white and stands 15 hands. He would make a good rope horse or barrel prospect. He is a fancy, good made horse, that really rides good. He is gentle and soun. I am working on getting his papers. He is a son of Straight From Texas. Consigned by B&B Quarter horses.

Here is another success of crossing "Blue" on a granddaughter of Mr. Gunsmoke, with Ben Mark on the bottom side. This is "Twister's" first foal by "Blue", and she is classy. Twister is proving to be a good producing mare, with an exceptional dun stud colt last year. This filly is a 3/4 sister to Dolly's palomino stud by Blue. Better check this one out closely.
