67th Annual Horse Sale

Cant Kick This Cat
2008 Stallion

Sunday, September 1st, 2019
1:00 pm Central Time
Valentine Livestock,
Valentine, NE

Welcome to our 67th Annual Horse Sale!

Thank You to all of our repeat buyers that have been coming to our horse sale for many of the 67 years! This definitely reinforces the confidence that we are producing a product that works and is liked by our customers. If it wasn't for you, we would not be able to raise and sell quarter horses. Also, to the new customers, we wish success and satisfaction in your purchases so we keep seeing you at future sales.

The sale this year, We, along with our Consignors, once again, are offering a fantastic selection of weanlings, yearlings, young riding horses, finished ranch horses, and some very nice broodmares. Anyone that buys a broodmare can have her preg tested by the vet at the sale at their expense. If she is open we will refund your money and pay vet expense. Our colts are all rancher heritage eligible and halter broke.

As in the past we will be selling the weanlings sired by Cant Kick This Cat as choice of two. We will lead two in the ring and sell buyers choice and take the remaining colt home.

We look forward to seeing and meeting as many of you as possible at the sale. Also, the door is always open at the ranch!

If you are ever in the area or want to look at horses, feel free to stop in!!!
Thank you for your support and interest!!!

~ Whiz My Nu Chex ~
2009 Palomino Stallion

Whiz My Nu Chex has NRCHA earnings with limited showing. "Tennessee" has performed in the arena but, he also knows what a hard day as a ranch horse is about. He has gathered cattle in rough country and has drug calves to the fire at brandings.

His sire, Topsail Whiz, is the NRHA's only Ten Million Dollar Sire, NRHA's #1 All Time Leading Sire, NRHA Hall of Fame, and the Sire of Four Million Dollar Sires. His grandsire, Nu Chex To Cash, is the AQHA #1 all time reining point earner and the only horse in AQHA history to win both reining and working cow horse high point titles the same year.

"Tennessee" has shown us cow sense and supreme athleticism, two things that we want our horses to have. Plus, he is always a gentleman!! His colts have been good to work with and we are excited about their future! 5 Panel N/N.

~ Lonestars~
2012 Chestnut Stallion

Lonestars is a stallion we purchased in 2014 as a two year old. We are very excited about the potential of this young stallion's offspring.

Lonestars is as royally bred as they come. He is an own son of One Time Pepto who has been a Top 5 sire in the NCHA and #1 sire in the NRCHA each year since 2010 (his first foal crop).

His dam is Starlights Liz, a legendary mare in the performance horse industry. She has produced over \$500,000 worth of NCHA earners and is one of, if not the, top Grays Starlight daughters of all time.

Lonestars combines that pedigree with tremendous conformation. He has a beautiful head and neck, deep cinch, and great structural correctness. He rides very well and was trained and shown in reined cow horse by \$1 million rider Boyd Rice.

~ VF Chase This~
2014 Buckskin Stallion

Take a look at this guys pedigree! One glance and you can see "Chase" is bred to perform! His sire, Reckless Guy is a proven barrel sire of barrel racing futurity finalist at Old Fort Days and OKC - Guys Streaking Six, as well as numerous open barrel racing winners. Chase is also an own grandson of Frenchmans Guy - All Time leading barrel sire with progeny earnings now exceeding \$11 million. His dam, Chase This Ivory, SI 93, earned \$19,138 on the track and is an own daughter of the great Ivory James. Ivory James, has a SI 103/AAAT on the track and has impressive earnings of \$220,026 - he is the #2 all-time sireing son of Corona Cartel and is the Top 15 Living Sire of Money Earners (over 11.6 million). Chase has been used for ranch work and is started on the barrel pattern. We enjoy his quiet nature, intelligence, smooth gait, and ability to go all day. We are pleased with Chase's foals as they have proven to be intelligent, have a smooth, athletic build and move the way we think a performance horse should. We look forward to what this young stallion has to offer. 5 Panel N/N.

~ Playlight ~
2002 Sorrel Stallion

We sold Playlight in 2017 but we still have several of his daughters as broodmares and some of his colts in this sale. He has been ridden in parades, flagged on at rodeos, and has drug calves to the fire at brandings. Playlight is a great combination of athlete and gentleman. His colts are very versatile. Whether you want to win in the arena or go do ranch work all day on one, his foals can make it happen. Playlight is a great looking horse and has a rock-solid pedigree to back it up.

Playlight was a performer himself! He has earned his register of merit in both heading and heeling, totaling 19 performance points. His sire, Grays Starlight, is a \$1 million sire in three different disciplines; NRHA, NRCHA, and NCHA. Grays Starlight is one of only two horses to claim this honor. Playlight's dam, Play Miss Hickory, is an own daughter of Freckles Playboy and has earned money and produced money-earners in the NCHA.

Our stallion Peptos Pretty Spoon (Pepto) is a 2008 Red Roan by Hes A Peptospoonful. Hes A Peptospoonfull was lost in 2013, but at this time is over a 3 million dollar sire. In 2011 he was in the top 10 NCHA leading sires and a NRCHA all time leading sire. He had a lifetime earnings of \$72,851. The dam to our stallion, Another Pretty Pep has sired many NCHA money earners and has a lifetime earning of \$9,300. "Pepto" is broke to ride and has been used to gather cattle and some roping. He's very nice to be around and has thrown colts that are easy to work with. Buyers that have rode his colts say they are "well liked and cowy"! We have seen the same in the ones we have started! His dam, Playin With Fortune is a NRCHA money earner also. This guy is well broke and has a super disposition with not a mean bone in his body! We are really liking these first colts out of him with the disposition, color and style! Badger was training with Ryan Crawford in Ft Collins CO but due to other issues, we chose not to show him. "Hooley" has been used in all aspects of ranching from pulling calves to the fire, sorting, pasture roping, doctoring sick's, feed yard work and pen riding. He is started out of the box on the head and heels. He has even roped buffalo off him. This horse will go in any direction you point him. He's a pretty mover and a smooth ride. He stands 14.2. Krogs Sneakin Cat

Sneakin Jolena

The horses that are bred to watch a cow, do just that. They train easy and like to work cattle. This colt is bred to do some big time cutting.

135 Jazz

Jaz is an 8 yr. old gelding. I bought him as a 5 year old and have been using him all over the feedyard/ranch. He is started in the heading and has no buck in him. 15.1 hands and 1150 pounds. For more information call Max Dougherty - 605 - 840-0221
